**PUBLIC NOTICE ON A PROPOSED AMENDMENT TO THE
FY 2016-2035 SUN CORRIDOR METROPOLITAN PLANNING ORGANIZATION
LISTING OF TRANSPORTATION PROJECTS**

The Sun Corridor Metropolitan Planning Organization (Sun Corridor MPO) is notifying the public of a proposed amendment to the FY 2016-2035 Sun Corridor MPO Listing of Transportation Projects. A regional emissions analysis has been conducted for the proposed amendment to the FY 2016-2035 Listing of Transportation Projects. Both the proposed amendment and the corresponding regional emissions analysis are being provided for review and comment. The proposed amendment requires a new conformity determination.

The proposed amendment to the FY 2016-2035 Listing of Transportation Projects is required for various project changes. The changes impact the modeling assumptions used in the most recent conformity analysis and a new regional emissions analysis for the Pinal County nonattainment areas was conducted. The results of the regional emissions analysis for the proposed amendment indicate that the FY 2016-2035 Listing of Transportation Projects will not contribute to violations of federal air quality standards.

The consultation documentation on the proposed amendment and regional emissions analysis is available for review at the Sun Corridor MPO Offices from 8:00 a.m. to 5:00p.m. Monday through Friday or on the Sun Corridor MPO website at www.scmpo.org. Public comments are welcomed at the Sun Corridor Metropolitan Planning Organization Executive Board meeting on June 16, 2015, or may be submitted in writing by 10:00 a.m. on June 15, 2015 to the address below.

Contact Person: Irene Higgs, Sun Corridor MPO
211 North Florence Street, Ste. 103
Casa Grande, AZ 85122
