

DISADVANTAGED BUSINESS ENTERPRISES POLICY

The Sun Corridor MPO staff shall adopt the FHWA and FTA Arizona Department of Transportation's DBE Plans. When the Sun Corridor MPO receives any FHWA and/or FTA funding, exclusive of capital (vehicle) purchases, or when any such plan is otherwise required, the ADOT DBE Plans will be the leading DBE plan used by the Sun Corridor MPO, in all cases.

The DBE Plans will be approved by the ADOT Civil Rights Office. Until the stated threshold in each ADOT plan is reached, the Sun Corridor MPO shall ensure that disadvantaged business enterprises in the Sun Corridor MPO planning area have an equal opportunity for all contracts awarded by the Sun Corridor MPO in connection with the delivery of services.

The ADOT FHWA and FTA DBE Plans are located:
