MEMO TO: SCMPO TECHNICAL ADVISORY COMMITTEE
FROM: Jason Hafner, Transportation Planner
DATE: March 2, 2021
SUBJECT: Recommend approval to advertise the 2021 Spring Air Quality Conformity project list and Conformity Analysis for 30-day public review and comment period

The 1990 Federal Clean Air Act requires that regional transportation plans and programs be in conformance with all applicable air quality plans. To comply with this requirement, an air quality conformity analysis of the FY2020-2029 Transportation Improvement Program and Regional Transportation Plan 2040 Update needs to be completed.

All Sun Corridor MPO member agencies have been consulted regarding projects to be incorporated into the draft Air Quality project list, including locally and privately funded projects.

The 30-day public review and comment period is tentatively scheduled for May 5, 2021 to June 4, 2021.

Sun Corridor MPO staff recommends approval to advertise the 2021 Air Quality Conformity project list and Conformity Analysis for 30-day public review and comment period.
