Subject: 5311 Rural Transit Fiscal Year 2024 Preliminary Notice of Award Year 1

Dear Mr. Heet:

The Arizona Department of Transportation (ADOT) is pleased to issue this Preliminary Award Notice for Year 1 of your FY 2024 5311 Rural Public Transit Grant Agreement. All preliminary funding awards are contingent upon the Federal Transit Administration (FTA) awarding funds to ADOT for the 5311 Program. ADOT will be submitting an application to FTA in June 2024 and anticipates FTA awarding funding in September 2024. Please see the table below for your 5311 Rural Transit 2024 Preliminary Notice of Award for Year 1.

ADOT must await FTA approval of the grant; thus these award amounts are contingent upon FTA approval and your compliance with Federal and State requirements. You must also have an updated Title VI plan that is approved by ADOT Civil Rights Office or FTA (if applicable), or a self-certification form submitted, prior to expending funds. Your official notice of award will come with your Exhibit A.

All 5311 Formula funding from your FY 2022 contract must be expended by September 30, 2024 or it will be recaptured by ADOT.

Total		\$733,082.00	\$402,088.00	\$1,135,170.00

Please note, due to our funding requests exceeding 31 million dollars and an apportionment of just over 17 million dollars we were unable to approve capital request(s) outside of preventative maintenance. Additionally please be advised that ADOT was not able to fund expansion of services with your 5311

preliminary award due to funding limitations. We encourage you to consider conducting route analysis projects to streamline operations and maximize your funding.

Capital requests such as buses and bus facilities can be funded from the upcoming 5307/5339 Competitive grant application. Arizona DOT receives an apportionment of 4 million dollars in Section 5339 Statewide funds in FY 2024 and 5311 agencies are eligible to apply for 5339 funding. Please consider this funding option. We anticipate the application opening in the next few months.

If you have any questions, or if the award is significantly different than expected, please contact your Program Manager. You have the right to appeal this funding decision. If filing an appeal, applicants must use the following process in order for the appeal to be considered valid. Letters of appeal must clearly identify the applicant, contact person, address, phone number, project description and grounds for appeal. Letters of appeal must be submitted within ten business days of notification of award; no later than the close of business **May 31, 2024**. Submit the appeal via email to your assigned Program Manager.

ADOT reviews all appeals and notifies applicants of the decision within ten business days. If the applicant is not satisfied with the 5311 Program Manager's response, a further appeal may be made to the Transit Group Manager. This appeal must be submitted within ten business days of the notice of the 5311 Program Manager's decision. A copy of the additional appeal must be sent to the 5311 Program Manager. The Transit Group Manager will then provide a written response to the applicant within 30 days of receipt of the appeal.

Please remember that your transit funding must be included in the local TIP (Transportation Improvement Plan) developed by your Councils of Government (COG) or Metropolitan Planning Organization (MPO) and your COG/MPO must forward their approved TIP to ADOT Programming so the projects can be included in the State Transportation Improvement Program (STIP). COGs and MPOs have been copied on this award letter; however, it is the transit agencies responsibility to coordinate with your COG or MPO to assure that all your projects are included in the local TIP. FTA is unable to fund any grant application until the project is included in the federally approved STIP.

SUBJECT: **12.0 Recommend Approval of the New Finding of Conformity for the FY 2023-2027 Sun Corridor MPO Transportation Improvement Program and the Regional Transportation Plan 2050 Update.**

On May 2, 2024, Sun Corridor MPO staff sent out the Consultation on the Conformity Assessment for a Proposed Amendment to the FY 2023-2027 Sun Corridor MPO Transportation Improvement Program (TIP) and Regional Transportation Plan 2050 Update (RTP) for public review. The amendment involves various project changes that requires a new conformity determination on the FY 2023-2027 TIP and Regional Transportation Plan 2050 Update. The project modifications impact the modeling assumptions used in the most recent conformity analysis and a new regional emissions analysis for the Pinal County PM-10 and PM-2.5 nonattainment areas was conducted. The result of the analysis supports a finding that the amendment to the FY 2023-2027 TIP and Regional Transportation Plan 2050 Update meet transportation conformity requirements for PM-10 and PM-2.5 in the Pinal County nonattainment areas.

On June 1, 2024, a 30-day agency and public review period ended on the conformity analysis and proposed amendment to the TIP and Regional Transportation Plan 2050 Update. No public comments were received.

The Sun Corridor MPO staff recommends the approval of the new Finding of Conformity for the proposed amendment to the FY 2023-2027 Sun Corridor MPO Transportation Improvement Program and the Regional Transportation Plan 2050.
